

The Revolution is in progress! The Kingdom of God is being established on the earth as it is in heaven by the Church. The 21st century Church is beginning to be more productive (fruitful) than the 20th century Church in manifesting the kingdom of God upon the earth. Hopefully our children and our children's children will be participating in this glorious manifestation.

Kenny Mitchell hopes the message in this book sparks a flame in the hearts of those who read it. Kenny fully believes there is so much more the LORD wants His Church to understand regarding the entire precept of the fullness of the Kingdom of God coming to earth and the will of God being done in the earth as it is in heaven.

The kingdom of God on earth includes the full spectrum of the marketplace in: government, business, education, media, healthcare, church, and law enforcement. These seven "gates of the city" are discussed in detail and compared with the seven Spirits of God mentioned in Scripture: *"The Spirit of the LORD, the spirit of wisdom and understanding, the spirit of counsel and power, the spirit of knowledge and the fear of the LORD."* (Isaiah 11:2)

The gates of hell will not overcome the Church founded in the 7 Spirits!
